

MySQL

CERTIFICATION COURSE

**Master MySQL Database and Elevate
Your Career to New Heights!**

MySQL Database

The MySQL Database Course, offered by W3 Technologies, will equip you with the skills to design, manage, and optimize databases using MySQL. You'll learn to break down complex data structures into manageable components, focusing on MySQL syntax and best practices for efficient database management. This course emphasizes database design, querying, indexing, and optimization techniques, providing a solid foundation in MySQL database administration.

Why W3 Technologies

Training at W3 Technologies equips you to excel in today's competitive world. From the very beginning of your journey with us, you'll experience continuous growth through learning. We provide support throughout the course, while encouraging you to become independent and confident in your skills.

Lower Learning Cost

Learning with us is budget-friendly. Our courses are affordable yet provide comprehensive and engaging content.

Expert Instructors

Learning with us means benefiting from top-tier expertise. Our expert instructors provide deep knowledge and engaging lessons.

Certification

Earn an industry-recognized certification upon completing the course, enhancing your resume.

Course syllabus

- Introduction
- Types of database systems
- Entity and Relationship
- SQL basics
- Primary key
- Foreign key
- DDL statements
- Normalization
- DML statements
- Sorting Data
- Group by
- Having
- Exists
- Any
- All
- Null functions
- Aliases
- Wildcards
- Concat function
- Substr function
- count function
- Avg function
- Sum function
- Like
- Where
- And or not
- Max function
- In
- Case Expression
- Order by
- Joins
- Types of joins

Thank You for Choosing **W3 Technologies**

Thank you for choosing to explore this course from W3 Technologies. We hope you find it insightful and valuable as you embark on your learning journey.

At W3 Technologies, we believe that learning is a continuous process, and we are excited to be part of your journey towards gaining new skills and knowledge.
