

MERN Stack

CERTIFICATION COURSE

**Master MERN Stack and Elevate Your
Career to New Level !**

MERN Stack

The MERN Stack Development Course, offered by W3 Technologies, will equip you with the skills to build efficient and scalable web applications using MongoDB, Express.js, React, and Node.js. You'll learn to break down complex problems into manageable components, focusing on JavaScript best practices for clear, maintainable code. This course emphasizes fullstack development, database integration, and modular design to build a solid foundation in MERN stack development.

Why W3 Technologies

Training at W3 Technologies equips you to excel in today's competitive world. From the very beginning of your journey with us, you'll experience continuous growth through learning. We provide support throughout the course, while encouraging you to become independent and confident in your skills.

Lower Learning Cost

Learning with us is budget-friendly. Our courses are affordable yet provide comprehensive and engaging content.

Expert Instructors

Learning with us means benefiting from top-tier expertise. Our expert instructors provide deep knowledge and engaging lessons.

Certification

Earn an industry-recognized certification upon completing the course, enhancing your resume.

Basic frontend

- HTML
- CSS
- Javascript
- Adv. Javascript
- Bootstrap
- SASS

React

- React Introduction
- Components and Props
- Lists and keys
- State and Hooks
- Context API
- React router
- React bootstrap
- Material UI
- Server-side deployment

Frontend

- Node.Js
- EXpress.Js
- Rest API
- Unit-Testing
- Deployment

Database

- MySQL
- MongoDB

Tools

- GitHub
- Docker
- Kubernetes

Thank You for Choosing **W3 Technologies**

Thank you for choosing to explore this course from W3 Technologies. We hope you find it insightful and valuable as you embark on your learning journey.

At W3 Technologies, we believe that learning is a continuous process, and we are excited to be part of your journey towards gaining new skills and knowledge.
